

Contact Information

- **Name:** Hager Elshahat Elsayed
- **Location:** Alexandria, Egypt
- **Phone:** 01272957782
- **Email:** hagerelshahat715@gmail.com
- **LinkedIn:** www.linkedin.com/in/hager-elshahat
- **Career Objective**

An ambitious Computer Science student and Frontend Web Developer with a solid foundation in building responsive, scalable, and user-friendly web interfaces. Dedicated to writing clean, maintainable code using HTML5, CSS3, JavaScript, and modern component architectures. Seeking to leverage technical problem-solving skills, continuous learning, and collaborative leadership experience to contribute effectively within a dynamic software engineering team.

Education

- **Bachelor of Computer Science** - Faculty of Computers and Information, Damanshour University

Courses and Certificates

- **Frontend Web Development Foundation:** HTML & CSS Certification
- **UI / UX Design Foundations:** UI/UX Design Principles & Wireframing Course
- **Frontend Web Development Track:** Digital Egypt Pioneers Initiative (DEPI)
- **Red Hat Linux Administration Training:** National Telecommunications Institute (NTI)

Skills

- **Technical Skills:** HTML, HTML5, CSS, CSS3, JavaScript (ES6+), Responsive Web Design, Cross-Browser Compatibility, Clean Layout Architecture.
- **Design & UI/UX Tools:** UI/UX Prototyping, Figma, Figma Dev Mode, Wireframing, User Flow Design.
- **Engineering & Productivity Tools:** Git, GitHub, Component Reusability, SOLID Principles, Microsoft Word, Microsoft Excel.
- **Soft Skills:** Teamwork & Collaboration, Effective Communication, Technical Event Organization, Problem-Solving, Adaptability.

Projects

Beheira Landmarks Web Application

- Developed a fully responsive web application highlighting the cultural and historical landmarks of Beheira Governorate using HTML5 and CSS3.
- Structured clean visual layouts and intuitive navigation flows to enhance accessibility and user engagement across different screen sizes.
- Implemented modular CSS styling and semantic HTML architecture to optimize page loading performance and maintainability.

Extracurricular Activities

Active Member & Team Leader | Google Developer Groups (GDG) Damanhour Chapter

- Organised technical events, workshops, and community branding initiatives, leading team operations under strict delivery schedules.
- Collaborated with cross-functional teams to promote software development best practices and mentor junior peers.

Hackathon Participant | NASA Space Apps Challenge

- Participated in team-based problem solving and hackathon challenges to engineer innovative technical solutions within short deadlines.
